This is a **NEW Concept** – Fun team race to combine Rowing and Sailing. Join as a team (one rowing and one sailing boat) or join as an individual and we will match you up.

Rowing Boats will row an approximately 1.5 mile course. The sail boats will also sail an approximately 1.5 mile course. We will use a low point scoring system for each race. The team with the lowest combined score will be the winning team.

(Course may be changed depending on weather conditions the day of the race)
